

# Lineolated Parakeet Society

## Membership Application

The Lineolated Parakeet Society is a non-profit organization established in 2006 whose purpose is to represent the Lineolated Parakeet and educate the public about keeping and breeding these birds in captivity.

**THE SOCIETY STRONGLY SUPPORTS AND ENCOURAGES THE PROPER BREEDING OF THESE BIRDS WITH THE FOLLOWING RECOMMENDED BREEDING PROTOCOL:**

Turquoise series and Ino Lineolated Parakeets should be paired with Green series (normal, D Green or DD Green) or Green-split series birds. Pairing red-eyed Lineolated Parakeets together, such as Lutinos to Creme-Inos, is absolutely not recommended, nor is pairing DD to DD or GW to GW
